## Welding Works

### Fencing, Enclosures & Specialty Gates Edition

*Custom-fabricated solutions for secure, functional, and site-specific access*

Dentoni's Welding Works designs, fabricates, installs, and repairs fencing, gates, enclosures, railings, and specialty metalwork for municipal, commercial, agricultural, and residential properties. From perimeter security and equipment enclosures to ornamental driveway gates and custom access solutions, we build solutions tailored to your job.

**Perimeter Fencing**  
Architectural, security, and custom fence systems.

**Secure Enclosures**  
Utility, equipment, privacy, and service enclosures.

**Specialty Gates**  
Driveway, pedestrian, ranch, and custom access gates
